

Endoscopy Update

URGENT NEED FOR FUNDS TO PURCHASE TENWEK ENDOSCOPY EQUIPMENT!

With the Cardiothoracic Centre nearing completion, the Endoscopy Suite urgently needs to be outfitted with equipment. Because the equipment will be value-added tax (VAT) exempt if purchased this Spring, we are attempting to raise \$150,000 by June 1, 2024. For more details, keep reading.

GIVE NOW!

\$25,000 MATCHING GIFT!

A donor has stepped forward with an incredibly generous opportunity — a \$25,000 matching gift! This means every dollar contributed will be doubled until the match is met.

Please prayerfully consider a gift today!

LETTER FROM DR. JEFFREY HALLETT AND RONDA FLESCH, RN

Greetings from Tenwek!

We have been at Tenwek during the month of February, assessing the needs of Tenwek Endoscopy Services and Education.

First, ***we greatly value the leadership and staff of the Tenwek Endoscopy Department***, for their commitment to quality patient care, prayer with patients, distribution of bibles to patients, frequent and welcome referrals to hospital chaplains, and their heartfelt weekly devotionals.

We met with Dr. Russ White, Tenwek Director of Surgery and Director of the Cardiothoracic Surgery Center, and Robert Chepwony, Tenwek Endoscopy Manager. ***We see a vision for Tenwek Endoscopy that fits into the greater vision of Tenwek Mission Hospital.***

Together we put together an equipment list that will “round out” endoscopy services

at Tenwek, and place Tenwek back in a premier position for endoscopy services and education.

The purchase of this endoscopy equipment is also financially timely while equipment for the CTC is VAT exempt!

NEW EQUIPMENT WILL BE WELL-MAINTAINED IN THE NEW CTC

Endoscopic equipment is costly and hard to maintain in the African environment. We look forward to housing our equipment in the Cardiothoracic Surgery Center with its climate control, state of the art dust and water filtration, and automatic scope washers, to maintain our fleet of scopes with less down time for repairs.

INVESTING IN TENWEK'S FUTURE

Because of its positive benefits to patient care and surgical education in the name of Jesus, we firmly believe this capital initiative is consistent with Friends of Tenwek's Mission and Vision.

Thank you for prayerfully considering a gift today.

Gratefully,

Dr. Jeffrey Hallett
Mrs. Ronda Flesch, RN
Endoscopy Co-Champions

GIVE NOW!

NEW ENDOSCOPY SUITE IN CTC

The space is beautiful, but more beautiful when we think of what it is meant to be filled with — people who love Jesus, treating in the name of Jesus.
